

The figure consists of a 5x4 grid of 20 panels, each containing a different astronomical image. The panels are labeled as follows:

- Row 1: 2261, 2262, 2263, 2264
- Row 2: 2265, 2266, 2267, 2268
- Row 3: 2269, 2270, 2271, 2272
- Row 4: 2273, 2274, 2275, 2276
- Row 5: 2277, 2278, 2279, 2280

Each panel displays a field of stars with various types of markers overlaid on them. These markers include small dots, crosses (+), and larger black circles. The distribution of these markers varies across the panels, indicating different types of astronomical features or measurements.
